DD/Pers PD

256 Curie

BY HAND

We have just received a copy of the attached material for D/Pers concurrence. I have made thermafax copy for you so that you might be considering from Foreign Decorations point of view while I'm reading for foreign gifts and also so you will have a copy to retain for your file. Mr. Warner did not indicate a deadline but the papers go to Security after us so imagine they would want us to move as fast as we can.
